## SCC FLEXIBLE IMPELLER PUMPS / ACCESSORIES 2011 PRICING

Model #	Description	List Price
AC-106-10	115V AC Flexible Impeller Pump. Bronze and SS Oil resistant impeller. Dual suction and discharge ports w/ 3/8" NPT inside and 3/4" GHT outside. U/L motor 6' cord Nitrile Seal.	\$ 143.77
1C-106-15	115V AC Flexible Impeller Pump. Bronze construction with SS shaft. Dual suction and discharge ports w/ 3/8" MPT inside and 3/4" GHT outside. U/L motor 6' cord with inline on/off switch Nitrile Seal.	\$ 179.39
AC-106-40	115V AC Flexible Impeller Pump. Bronze and Stainless Steel dual suction and discharge ports w/3/8" NPT inside and 3/4" GHT outside. Universal U/L motor and NEW HIGH TENSILE STRENGTH POLYURETHANE IMPELLER. Nitrile Seal.	\$ 148.73
AC-106-40-TE	115 V AC Flexible Impeller Pump. Bronze construction with stainless steel shaft. Dual suction and discharge ports w/3/8" NPT inside and 3/4" GHT outside. U/L INDUCTION Motor and NEW HIGH TENSILE STRENGTH POLYURETHANE IMPELLER. 6' cord and plug. Nitrile Seal.	\$ 504.67
AC-106-45	115 V AC Flexible Impeller Pump. Bronze construction with stainless steel shaft. Dual suction and discharge ports w/3/8" NPT inside and 3/4" GHT outside. Universal U/L motor and NEW HIGH TENSILE STRENGTH POLYURETHANE IMPELLER. 6' cord with on/off switch. Nitrile Seal.	\$ 184.60
<b>DC-200 Series</b>		
DC-200-10	12V DC Flexible Impeller Pump. Bronze and Stainless Steel dual suction & discharge ports; 3/8" NPT inside 3/4" GHT outside. 2.5" Diam. Motor. 12" lead wires. Oil resistant impeller.	\$ 120.78
DC-202-10	12V DC Flexible Impeller Pump. Bronze and Stainless Steel construction. 2GPM w/ 1/4" ID suction and discharge ports; 2.5" Diam. Motor. 12" lead wires. Oil resistant impeller.	\$ 99.00
DC-202-40	12V DC Flexible Impeller Pump. Bronze and Stainless Steel construction. 2 GPM w/ 1/4" ID suction and discharge ports. 2.5" Diam. Motor with 12" wire leads. NEW HIGH TENSILE STRENGTH OIL RESISTANT POLYURETHANE IMPELLER.	\$ 109.00
DC-202-40-RHOS	12V DC Flexible Impeller Pump. Bronze and Stainless Steel construction. 2GPM w/ 1/4" ID suction and discharge ports. 2.5" Diam. Motor with 12" wire leads. NEW HIGH TENSILE STRENGTH OIL RESISTANT POLYURETHANE IMPELLER. Pump head complies w/ RHOS standards.	\$ 181.20
DC-206-10	12V DC Flexible Impeller Pump. Bronze and SS dual suction & discharge ports; 3/8" NPT inside 3/4" GHT outside. 3.3" diam. motor. 12" lead wires. Oil resistant impeller.	\$ 139.43
DC-206-40	12V DC Flexible Impeller Pump. Bronze and Stainless Steel dual suction and discharge ports w/3/8" NPT inside and 3/4" GHT outside. 3.3" Diam. Motor and NEW HIGH TENSILE STRENGTH POLYURETHANE IMPELLER. Nitrile Seal.	\$ 153.65
DC-226-10	230V AC Flexible Impeller Pump. Bronze and SS oil resistant imp Dual suction and discharge ports w/ 3/8" NPT inside and 3/4" GHT outside. U/L motor 6' cord Nitrile Seal.	\$ 159.65
DC-246-10	24V DC Flexible Impeller Pump. Bronze and SS dual suction & discharge ports 3/8" NPT inside 3/4" GHT outside. 2.5" diam. motor. 12" lead wires. Oil resistant impeller.	\$ 152.45
<b>DC-1210 Series</b>		
DC-1210-10	10 GPM Flexible Impeller Pump; ideal for wakeboard boats. 12V DC Low Amp Draw. 1" MPT suction & discharge ports with oil resistant impeller; 3.3" diam. motor with 12" lead wires. OPTIONAL: Polarity reversing switch.	\$ 227.17
DC-1210-40	12V DC 10 GPM Flexible Impeller Pump. Bronze housing with Stainless Steel Shaft. 1" NPT outside diameter suction and discharge ports. 3.3" DC motor W/ 12" LEADS and NEW HIGH TENSILE STRENGTH POLYURETHANE IMPELLER. 6" cord. Nitrile Seal.	\$ 248.91
DC-1210-40-TE	115VAC 10 GPM Flexible Impeller Pump. Bronze housing with Stainless Steel Shaft. 1" NPT outside diameter suction and discharge ports. Induction motor and NEW HIGH TENSILE STRENGTH POLYURETHANE IMPELLER. 6" cord and Nitrile Seal.	\$ 569.26
<b>Service Kits</b>		<b>List Price</b>
ACK-1062-10	Service Kit with Oil Resistant Impeller and Gasket.	\$ 19.00
ACK-1064-10	Service Kit with Oil Resistant Impeller Gasket Seal Felt Washer & Clip.	\$ 24.00
ACK-1210-40	Replacement POLYURETHANE Impeller and Gasket for 1210-40 pump series.	\$ 35.00
AC-1066	Replaceable Brushes for AC-106-10 AC-226-10	\$ 29.00

Pricing Updated 9/09/2011; Specifications & Pricing Subject to Change Without Notice.
